

## Challenges: Race prize draws

### How they work (people-friendly terms and conditions)

By joining a Race prize draw and promotion in the Sweatcoin app, you agree to the terms and conditions below.

1. Entry to a Race prize draw is **free**.
2. Each race runs for a specified period and has a deadline. To enter a prize draw, all you have to do is join an active Race and hit the specified step goal before the deadline.

For example, for a Race in July with a goal of 250,000 steps, you must hit this target on or before 31 July 23:59:59 to become eligible for the prize draw.

3. Race prize draws are open to all users aged 13 years and over. However, you cannot join the prize draw if you're an employee of Sweatcoin (Sweatco Limited), a friend or family of an employee, or an agent connected with this promotion.
4. Each person is allowed only one (1) entry. That means you cannot create multiple accounts with Sweatcoin and join a Race through different accounts.
5. The prize for each Race prize draw is announced in the app in the "Challenges" section.
6. You must reach the Race step goal within the deadline to be eligible for the prize draw.
7. After the Race has finished, we pick the prize draw winner at random from the pool of users who have completed the step goal before the deadline. We'll announce the winner within two (2) weeks of the end of the Race.
8. We will notify the winner by sending a transaction receipt to their Sweatcoin wallet, which includes a link for claiming the prize. We may also reach out to the winner by email and through other means necessary for awarding the prize.
9. Winning in one Race does not disqualify you from the possibility of winning again in another Race.
10. The winner must claim their prize within 30 working days of being notified through email.
11. If no winner claims the prize after 30 working days, we will pick an alternative winner.
12. We accept no responsibility for winners not giving accurate contact details (e.g., email address, mobile number, postal address).

13. Prizes are subject to availability. If we cannot provide the prize we announced, we may substitute it with something else of equal or greater value. The value is determined using the prize item's manufacturer suggested retail price (MSRP).
14. If we have to substitute the prize with cash, we will base the cash value on the prize item's stated MSRP. We can only send the cash value to the winner through PayPal or Wise (formerly Transferwise).
15. For prizes sponsored by a third party (not Sweatcoin), our external partner may determine the value (MSRP), substitution policy, winner selection, and/or claims process.
16. Winners may be asked to take part in a reasonable publicity post on social media channels like Facebook, Instagram, Twitter, or TikTok. Winners may accept or decline this opportunity.
17. If you'd like to find out who the winners were of our Races prize draws, you may email us at [info@sweatco.in](mailto:info@sweatco.in).
18. This promotion is not sponsored or endorsed by any of the products or brands featured in the monthly prize draws.
19. We will disqualify any prize draw participant or winner who does not comply with our terms and conditions and who has acted in a way that's fraudulent, dishonest, or unjust. This includes (but is not limited to) rigging or hacking the Sweatcoin app's step counter, threatening other prize draw participants, or harassing or bribing someone to influence the results of the prize draw.
20. We reserve the right to cancel this promotion or change these terms and conditions at any time, without prior notice.
21. The Sweatcoin app's privacy policies apply to the use of the Challenges Race feature and this promotion.
22. These terms and conditions are governed by the laws of England and Wales.
